## Private Ship Contract

### EACH PRIVATE SHIP PACKAGE INCLUDES:

- 14 hours of flight time in an A-Star 350 B2 helicopter, 7 hours guaranteed
- Two professional heli-ski guides
- Lodging for up to 8 guests
- Breakfast
- Shuttles to and from airport
- Use of Tracker avalanche transceiver
- Use of climbing harness and a heli pack
- Free ski rentals

**Private ships are limited to groups of eight or less.** Your group must be accompanied by two guides when helicopter skiing with VHSG. We recommend groups of six or eight skiers. If there is only one group skiing on a given day, there still must be two VHSG guides in the helicopter, thus limiting the total number of skiers to three skiers. On occasion you will be allowed to have four skiers plus two guides. Whether or not this fourth skier will be allowed in the helicopter will be the decision of VHSG.

### TERMS AND CONDITIONS

**Due to our commitments made well in advance of the ski season, it is very important that you read and understand the following information. Please contact us if you have any questions.**

You will have, during your contracted period, exclusive use of one A-Star B2 helicopter. You will be guaranteed two guides during all hours of operation (Sunday thru Friday, between 9 am and 7 pm, and Saturday, between 9 am and 3:30 pm). For each day during your package you will be required to fly if the public helicopter is flying. If you chose not to fly on a flyable day, two hours will be applied against your seven-hour guarantee, if at the end of the package you do not meet your seven-hour guarantee.

Federal Aviation Regulations require that pilots limit the number of hours they can work each day. Pilots are required by the FAA to have a minimum number of hours off between the time they arrive in Valdez at the end of each day until they depart from Valdez the following morning (pilots are housed in Valdez). These regulations must be honored at all times, and the pilot on the public ship schedule must be considered as well, as he may remain on the Tsaina property until the helicopter has returned to base at the end of the day.

## Refunds and Cancellations

All monies received are 90% refundable up to 180 days prior to arrival, minus a \$250 administration fee. All monies on account are non-refundable after that time. Each private package guarantees the first seven flight hours. Hours less than the seven-hour guarantee are refunded at \$1500 per hour or credited for the following season only. **THIS REPRESENTS YOUR ENTIRE REFUND IF WEATHER DOES NOT ALLOW US TO FLY THE GUARANTEED SEVEN FLIGHT HOURS.** If a cancellation is made, notification must be given in writing to the VHSG office. Valdez Heli-Ski Guides has the right to cancel any private ski week at any time. If this occurs, a full refund will be given.

**WE STRONGLY RECOMMEND TRAVELERS INSURANCE
